

1. DEFINITIONS AND ABBREVIATIONS (continued)

Individual (1-Party) Line Service – A grade of Exchange Service which provides for a maximum of one main station on a line.

Intercept Referral Service-Special – Same as Intercept Referral Service – Basic, plus it provides additional information to the caller.

Intercom Calling – Enables single line Customers to set up internal communications (intercom) between multiple telephone extensions. The Customer establishes intercom calls by dialing a code and hanging up the telephone handset. The code activates distinctive ringing to alert intercom users of an intercom call. Three-Way Calling is necessary for the operation of Intercom Calling. This feature is obsolete except for existing Customers at existing locations.

LATA – Local Access and Transport Area (LATA) denotes a geographic area established for the administration of telecommunications service. It encompasses designated local operating Company exchanges which are grouped to serve common social, economic and miscellaneous purposes.

Local Messages – A local message is a telephone conversation of any prescribed length between two telephone stations. It is the measurement upon which the charges for telephone communications are based when the calling station and the station to which communications is established are both within the same local service area.

Local Service Area – That area within which a Customer can make telephone calls at exchange rates.

Multi-Directory Numbers – Allows Customers to establish up to three telephone numbers on the same access line. Each number is assigned a distinctive ring. The billing telephone number is the “master” number and has a standard ring. The other number(s) are dependent numbers and are assigned individual distinctive rings.

Multiline Hunt Group – Rotary (hunting) service provided in Electronic Switching System (ESS) offices where a standard seven-digit number is assigned only to the first line in a Customer’s number group. Subsequent lines are designated by using two-, three- or four-digit numbers dependent on the type of ESS office. The Company reserves the right to determine when Multiline Hunt Group numbers are assigned.

Preferred Customer Discount (PCD) – A discount added to the monthly invoice and deducted from the rack rate for grandfathered products and term contract discounts.

E. Footnotes for BirchNet Essentials:

(C)

1. BirchNet Essentials are available to business and residential customers.

All customers will be required to sign a 12, 24 or 36month term agreement.

Early Termination Fees are calculated using the following formula:
 $\$100 \times \text{Months Remaining}$

The termination penalty will apply per location on the original contract or any subsequent renewal of the contract.

2. Customers may accept or decline the feature(s); however, declining the feature(s) will not reduce the package monthly rate. If more features are chosen with the BirchNet Essentials standard rates located in section 4.2.2 will apply.
3. The availability of certain features depends on ILEC feature availability.
4. Some features are only available to business customers.

4. SERVICES (continued)

4.5 Toll Services (continued)

4.5.2 Toll Service

Provides facilities to complete interLATA, intrastate or intraLATA, interexchange calls between two points. Customer makes call by dialing directly or with operator assistance. Direct Dialing includes 1 + Area Code (where necessary) + telephone number, or, in some cases for IntraLATA, users must access the Company's network by dialing 1010678 then 1 + Area Code + Number. For operator assistance a customer dials O only, O + telephone number or O + NPA + telephone number for IntraLATA calls.

No monthly recurring charges or minimum monthly billing requirements for outbound long distance calls will apply for those customers using Birch for both local and long distance service. A minimum monthly billing requirement of \$4.95/account per month will apply for customers using Birch for long distance service only.

Monthly Recurring Charge for Long Distance Only Customers: \$1.95
